

REMARKS

The Advisory Action mailed February 27, 2007, has been received and reviewed. As of the February 27, 2007 Advisory Action, Claims 11-22 and 32-46 were pending, Claims 11-16 and 38 remain rejected. Applicant notes with appreciation the Examiners indication of allowance of Claims 32, 39 and 46 and consequently dependent Claims 33-35 and 40-44. Applicant herein cancels Claims 11-22 without prejudice and amends Claim 38. As of this AMENDMENT C, Claims 32-35, 38-44 and 46 are believed to be in condition for allowance and Applicant respectfully requests reconsideration of the application as amended herein.

35 U.S.C. § 112, ¶ 2 Indefiniteness Rejection

The Examiner maintains rejection of Claim 38 under 35 U.S.C. § 112, ¶ 2 as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The Examiner correctly notes that with regard to Claim 38, it is unclear as to which panel "said panel" refers to.

Per the Examiner's suggestion, Claim 38 has been amended to recite "each said panel" to more definitely recite the claimed invention. Therefore, Applicant respectfully requests reconsideration of the § 112, ¶ 2 rejection of Claim 38.

Allowable Subject Matter

Applicant notes with appreciation the indication that Claims 32, 39 and 46 are allowable. For this reason, Applicant believes Claims 32-35, 38-44 and 46, as amended, are now allowable.

ENTRY OF AMENDMENTS

The amendments to Claim 38 above should be entered by the Examiner because the amendments are supported by the as-filed specification and drawings and do not add any new matter to the application.

CONCLUSION

Claims 32-35, 38-44 and 46 are believed to be in condition for allowance, and an early notice thereof is respectfully solicited. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, the Examiner is respectfully invited to contact Applicant's undersigned attorney.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 50-0881.

Respectfully Submitted,
